Why are you giving up this dog?

What are this dog's bad points? (Please be honest: We know that he or she isn't perfect or you wouldn't be considering turning him or her over to rescue.)

What are the dog's good points?

Please note: FAIR does not buy or pay for animals. This is a service to help place your animal in a new home. Our services are free; however, a donation to help pay for expenses is appreciated.

Please read through the form again to ensure you have been as thorough as possible. It will improve your animal's chance to find a new home. After the form is submitted, a volunteer will be in contact with you to discuss any questions you may have about our process or that we have about your dog. FAIR is a volunteer-based organization, so we ask for your patience. If we cannot admit your animal into our program, we will be in contact within 48 hours. If we have room in our program, arrangements will be made for you to drop off the dog or for a volunteer to meet you. We ask that you bring copies of all veterinary records and any other necessary paperwork at that time. To expedite the process, you can e-mail photos of your animal to admissions@faircares.org. Please include the animal's name in the subject line and your name in the body of the e-mail.

By my signature below, I certify that the information contained in this application is true and correct and I understand that false information is grounds for denying this application. I consent to FAIR's approval process. I authorize the release information about my animals by my landlord, community association, neighbors, veterinarian, and references. I understand that this process is for the sole purpose of determining my animal's suitability for placement. I understand that FAIR reserves the right to refuse any applicant without reason or explanation.
